

Directions by car

From the A15 South

Entering Lincoln on the A15 from Sleaford / Boston, drive over Pelham Bridge over the railway with the Cathedral visible at the top of the hill in front of you. At the traffic lights at the bottom of the bridge get into the left-hand lane and then turn left after another 300 yards by St Swithin's Church. Go straight ahead and then follow the road round to the right onto Silver Street - **keep in the right-hand lane**. Almost immediately on your right is Freeschool Lane! Turn here for the NCP car park and disabled parking. **For Broadgate Multi Storey Car Park**, carry on to the lights, **turn right and then get into the left-hand lane** and then turn left after 100 yards into St Rumbold Street. Broadgate Car Park is now on your left, plus St Rumbold Street NCP is on your right.

From the A15 north

Coming down the hill into Lincoln on the A15, get into the left-hand lane at the traffic lights at the large junction just past the Usher Gallery. Take the 3rd turning on your left (after about 200 yards) which is St Rumbold Street. Broadgate Car Park is now on your left and St Rumbold Street NCP is on your right. Walking back onto Broadgate you will see the rear entrance of Lincoln Drill Hall in between the Central Library and the Duke of Wellington Pub. Make your way through the Freeschool Lane NCP car park next to the pub to find the new front entrance to the venue on your left.

From the east / south / A46

Once you reach the A46 Lincoln Bypass follow signs to Lincoln central. At the 4th roundabout, turn right into Lincoln central and you will go past the old Grandstand. Keep going until you get to the traffic lights (The Horse & Jockey is in front of you). Turn left and then **get into the middle lane** where you will turn immediately right, going past the County Offices. Follow the road until the next set of traffic lights (the New Life Church is on your left and the Odeon is on your right). Go straight ahead bearing left slightly into Mint Street (one-way). After 200 yards the road crosses the pedestrian High St and then expands into 3 lanes and becomes Silver Street. Get into the right-hand lane and then after another 200 yards you will see Freeschool Lane on your right. You can either turn down here and attempt to park in the NCP car park next to the venue, or carry on to the lights, turn right and then get into the left-hand lane and then turn left after 100 yards into St Rumbold Street. Broadgate Car Park is now on your left and St Rumbold Street NCP is on your right.

Drive safe and see you soon!
